How to Complete the Form

Each article or paper that has been published during the current reporting period and is not related to the Deep Water Horizon (DWH) Project please list:

INCLUDE: Workshop Proceedings, Conference Proceedings or Presentations

1. The lead PI name first followed additional authors

2. Date article or paper was published. If the article or paper has not yet been published, please indicate "IN PRESS"

3. Title of article or paper

4. Journal Name, volume and page number

5. Citation No and/or hyper link

6. NOAA CI Award number

7. Indicate if the Lead Author is

a. CI Lead Author

b. NOAA Lead Author

c. Other Lead Author
